TCCLC has a great summer camp program that includes learning and fun throughout the summer! Our daily activities will require parents to purchase a grade-level workbook to go hand in hand with our activities. All subjects will be included. We will also include crafts, hands-on activities, field trips, and learning centers in each of the classrooms. Field trip notices will go out 2 days prior to the fieldtrip.

ATTENTION PARENTS:

Please assure your child is following the rules daily for our SUMMER CAMP!

We have plenty of hands-on activities and entertainment with our schedule we have for this program. The least amount of stuff they bring can eliminate stress on you/us and teach children to follow our Camp Rules.

What can my child bring?

- *Water bottle labeled
- *Cap
- *Casual wear and tennis shoes
- *Sweater because it can get cold at times
- *Sunblock and insect repellent
- *Crocs

What can my child not bring?

- *Flip flops or sandals
- *Tablets or electronics
- *No cell phones
- *No outside food
- *No blankets no pillows
- *Absolutely no toys of any kind (includes pop-its)
- *No stickers, puzzles, coloring books

Basically, we have plenty of activities and a routine children will follow daily. We would like to have AMAZING DAYS, so we ask for your support!!

Thank You in Advance!!
